Five simple calling plans that make the country your home calling area.

Great news for valued customers! In addition to your current calling plan, we're pleased to offer you a new and better SingleRate. Introducing Verizon Wireless SingleRateSM. Five new calling plans that offer greater coverage across America, no roaming or long-distance charges and airtime allowance minutes that apply to every call. The new SingleRate plan options start as low as \$35 monthly access and require a Verizon Wireless tri-mode phone.

Superior savings and benefits included with every plan.

In addition to saving money on your wireless service, every SingleRate plan also provides you with these helpful calling features:

- Voice Mail
- Message Waiting Indicator
- Caller ID
- Call Waiting
- Call Forwarding (not available in all areas)
- No Answer/Busy Transfer
- 3-Way Calling

Now get Internet access right on your phone.

Fit your entire world in the palm of your hand. With Web Access, you can get the latest news, stock quotes, sports scores, weather, e-mail and more—right on your wireless phone. Web Access is available with all new SingleRate calling plans for an additional \$9.95 a month. Simply choose your plan, a Web-enabled phone and get connected.

Subject to the terms of the Wireless Service Agreement and price plan, which applies to all lines in an account. Rebate applies to addressed Mobile Telephone Number only. Allow 6-8 weeks for rebate check. Web Access available on select plans only. \$9.95 monthly fee applies to Web Access service only and is in addition to calling plan. Web Access minutes deducted from calling plan allowance minutes. CDMA data-enabled phone required. SingleRate only available with digital service and specified CDMA tri-mode equipment. Digital service and features are not available in all areas. One or two-year agreement required. \$175 early cancellation fee. Airtime is rounded to the next full minute, so actual allowance may vary. Unused airtime minutes lost.

Exclusive Customer Offer: Save \$60 on the Motorola StarTAC[®] 7868.

This tri-mode phone is specially designed to give you all the benefits of the SingleRate network, including analog, digital and Internet access. As our customer, you'll get a \$30 instant credit on your phone purchase. Then receive an additional \$30 when you mail in your rebate. That's only \$189.99 (after rebates) for one of the best wireless phones around. Offer good through May 31, 2000.
